THE HONORABLE GEORGE NIGH
GOVERNOR OF OKLAHOMA
MEMBERS OF THE OKLAHOMA LEGISLATURE

The search for excellence in education is not new in Oklahoma. It has always been the underlying theme and the cornerstone of our efforts to provide Oklahoma's young people with a quality public school education.

Your support of education has been aptly demonstrated in the past. You have helped fund many meaningful and utilitarian education programs in the past. This volume is a report of the stewardship of those programs.

Now we are entering a new period of time. It is a time of new approaches to old, and sound, ideas, and as such, it is a time requiring new ways of thinking about what is needed for the future. We are fortunate in having a solid foundation from the past upon which to build a bright future for our heirs, the young people of our State.

A great deal of courage will be required of both the professional educators of this State, and its lawmakers, working together, to insure that what we have done in the past, as reflected in this report, was not done in vain. Together, we will meet the challenge and overcome.

Respectfully submitted,

Leslie Fisher
